**Asia Noble House**

**The World's Finest Meetings, Incentives and Events.**

**Your strong partner in the Asian and international MICE market**

ASIA NOBLE HOUSE is your strong partner in the international MICE market. For your next board meeting or corporate event, do you expect **savings in costs and effective controlling**? Creative concepts, new ideas and a strongly service-oriented partner, at **home both in Asia and in Europe**? ASIA NOBLE HOUSE encapsulates all your expectations. And we aim to exceed these expectations!

Depend on us to plan your corporate events with precision and reliability. Uncompromising quality in every detail, thanks to our refined **Total Quality Management**, a concept which raises the level of the Asian continent MICE projects to new heights.

ASIA NOBLE HOUSE summarises a new, unparalleled service under the heading **Corporate Charity Care®**. The aim is to allow companies to lend sustainability and credibility to their corporate social responsibility goals by means of creative ideas on the opportunity of events they are holding anyway.

**Additional Information**

**Multinational Business:** We serve multinational companies worldwide and on all continents. Wherever your company is based and whatever your requirements may be - we have the team and the ideas available to support you for exclusive conferences or your next board meeting.

**Total Quality Management:** We follow a simple principle: You get more from us - more than you expect. Our Total Quality Management with experienced specialists is unique in the international MICE business.

**Unique Meetings & Events - Made in Germany:** It is the combination of German precision, creativity, and Asian hospitality that makes our offer especially alluring. Highest quality and absolute reliability are a matter of course for us - as they have always been, for more than twenty years now.
